SUPER Standard[™]

Hand re-inspected to
exceed industry standards

Custom Pre-finishing available on all Super Grades.

Delivered in **PERFECTPack[®]** or specified custom length units so you always buy what you sell.

All Super Grades are hand selected and exceed industry grade rules to build stronger top and bottom line results.

Individually applied grade & length brand labels provide greater yard efficiency and easy customer recognition.

One of New England's finest Eastern White Pine inventories.
